

Press Release

Fire in the University of Nairobi

There was a fire breakout at the University of Nairobi Hall 12 today, October 15, 2015 at 9.30 am.

The fire started in one room and spread out to three other rooms. Our students and staff worked hard to contain the fire before the Nairobi County Government fire engine arrived. Within 30 minutes the fire was put off. There were no injuries but property was damaged.

Investigations to determine the cause of the fire and value of property damaged are on-going.
