

UNIVERSITY OF NAIROBI EXTERNAL JOB VACANCIES

Applications are invited for the following positions:

ASSOCIATE PROFESSOR (ENVIRONMENTAL LAW), CENTRE FOR ADVANCED STUDIES IN ENVIRONMENTAL LAW AND POLICY – AC/12/334/19 (1 POST) (R&T)

Applicants must be holders of an earned Ph.D degree in Law from a recognized University with at least eight (8) years teaching and practical experience in environmental law, land use law, climate change, biodiversity and natural resources management at both undergraduate and postgraduate degree level, three (3) of which must be at Senior Lecturer level. They must have supervised to completion at least two (2) students at doctoral level and three (3) students at masters level. Applicants must have a minimum of forty eight (48) equivalent publication points as Senior Lecturer, of which at least thirty two (32) should be from refereed scholarly journals. In addition, they should have knowledge and experience in multilateral environmental negotiations and law practices. They must also have attracted research or development funds as Senior Lecturer level.

The successful candidate will be expected to provide academic leadership, teach and supervise at both undergraduate and postgraduate levels. They will also be expected to carry out research and design programmes in environmental diplomacy. They will also be expected to participate in Centre, School, College and University activities.

LECTURER, DEPARTMENT OF PHARMACOLOGY AND PHARMACOGNOSY – AC/12/335/19 (1 POST) (CHS)

Applicants must be holders of a PhD degree in Pharmacology (with specialization in Pharmacodynamics, Pharmacokinetics, Bioinformatics, Drug discovery, Molecular or Systems Pharmacology) or PhD degree in Pharmacoepidemiology, Pharmacovigilance, Health Policy, Health Systems or Health Economics from a recognized university. Applicants should have at least three (3) years teaching experience at University level both at undergraduate and post graduate levels and research experience with at least twenty four (24) publication points, of which sixteen (16) should be from refereed scholarly journals. They should show evidence of continued research activity.

The successful candidate will be expected to teach and supervise both undergraduate and postgraduate students and undertake research in their area of specialization. They are also expected to participate in Departmental, School and College activities.

LECTURER, AFRICAN WOMEN STUDIES CENTRE – AC/12/336/19 (1 POST) (CHSS)

Applicants must be holders of a PhD degree in the area of Women Leadership Studies or related disciplines from a recognized university. Applicants should have at least three (3) years teaching experience at University level both at undergraduate and post graduate levels and research experience with at least twenty four (24) publication points, of which sixteen (16) should be from refereed scholarly journals. They should demonstrate expertise in gender/women and development approaches and a critical appraisal of a feminist theory. They should also show evidence of continued research activity.

The successful candidate will be expected to teach and supervise both undergraduate and postgraduate students and undertake research in their area of specialization with focus on feminist theories and their application to the African context; theoretical and philosophical basis of women's oppression; a historical approach to African feminism; women's movement organizations and groups in Africa; and feminist ideology and governance in Africa. They are also expected to participate in Centre and College activities.

LECTURER, DEPARTMENT OF ELECTRICAL AND INFORMATION ENGINEERING – AC/12/337/19 (1 POST) (CAE)

Applicants must be holders of a PhD degree in Electrical and Electronic Engineering or a related discipline from a recognized university. Applicants should have at least three (3) years teaching experience at University level both at undergraduate and post graduate levels and research experience with at least twenty four (24) publication points, of which sixteen (16) should be from refereed scholarly journals. They should also show evidence of continued research activity. In addition, they should be registered with the Engineers Board of Kenya (EBK).

The successful candidate will be expected to teach and supervise both undergraduate and postgraduate students in one of the following areas: Electrical Generation and Power Systems; Power Electronics and Control Systems; and Electrical Machines and Drives. They will be expected to undertake research in their area of specialization and participate in Departmental School and College activities.

GAMES TUTOR GRADE 12, DEPARTMENT OF SPORTS AND GAMES – AC/12/338/19 (4 POSTS) (R&T)

Applicants must be holders of a Bachelors degree in Physical Education and Sports. They must have professional training in the field of sports and games administration and management, refereeing and/or officiating competence. They should have at least three (3) years work experience and have organizational, planning and implementation skills in sports and games fixtures. They should also have proven knowledge in management of sports facilities, equipment and kits. Evidence of aerobic instruction/training will be added advantage.

TUTORIAL FELLOW, CENTRE FOR ADVANCED STUDIES IN ENVIRONMENTAL LAW AND POLICY – AC/12/339/19 (1 POST) (CHSS)

Applicants must have a Bachelors degree in Law, Environmental Studies or related field from a recognized university. They must also possess a Masters degree in Law, Environmental Law or

related field. They are expected to have registered for a PhD degree in Law or Environmental Studies. The successful candidate will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, they will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF ELECTRICAL AND INFORMATION ENGINEERING – AC/12/340/19 (2 POSTS) (CAE)

Applicants must be holders of a Bachelors degree and Masters degree in Electrical and Electronic Engineering from a recognized university. They are expected to have registered for a PhD degree in a relevant area. They should be registered or registrable with the Engineers Board of Kenya (EBK). The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, they will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF OBSTETRICS AND GYNECOLOGY– AC/12/341/19 (1 POST) (CHS)

Applicants must be holders of MBChB degree from a recognized university. They are expected to have registered for a Masters degree in Obstetrics and Gynecology and be registered or registrable with the Kenya Medical Practitioners and Dentists Board. The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, they will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF CIVIL AND CONSTRUCTION ENGINEERING – AC/12/342/19 (2 POSTS) (CAE)

Applicants must be holders of BSc. in Civil Engineering and MSc. Degree in Civil Engineering (Transportation Option) from a recognized university. They are expected to have registered for a PhD degree in Civil Engineering. The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, they will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF HUMAN ANATOMY – AC/12/343/19 (2 POSTS) (CHS)

Applicants must be holders of MBChB/BDS and BSc. (Human Anatomy) degree from a recognized university. They are expected to have registered for a Masters degree in Human Anatomy. The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, the successful candidates will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF PHARMACEUTICS AND PHARMACY PRACTICE – AC/12/344/19 (2 POSTS) (CHS)

Applicants must be holders of Bachelor of Pharmacy (B.Pharm) degree or equivalent from a recognized university. They are expected to have registered for a Masters degree in Pharmaceutics/ Clinical Pharmacy and be registered with the Pharmacy and Poisons Board. The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of

specialization. In addition, they will be expected to participate in Departmental, School and College activities.

TUTORIAL FELLOW (MICROBIOLOGY AND PARASITOLOGY), DEPARTMENT OF VETERINARY PATHOLOGY, MICROBIOLOGY & PARASITOLOGY – AC/12/345/19 (4 POSTS) (CAVS)

Applicants must be holders of Bachelor of Veterinary Medicine degree or equivalent from a recognized university. They are expected to have registered for a Masters degree in a Veterinary Pathology discipline (Virology and/or Parasitology). The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, they will be expected to participate in Departmental, Faculty and College activities.

TUTORIAL FELLOW (ANATOMY SECTION), DEPARTMENT OF VETERINARY ANATOMY AND PHYSIOLOGY – AC/12/346/19 (2 POSTS) (CAVS)

Applicants must be holders of Bachelor of Veterinary Medicine degree or equivalent from a recognized university. They must have attained a credit in Veterinary Anatomy (either Gross Anatomy or Histology and Embryology). They are expected to have registered for a Master of Science degree in a Veterinary Anatomy. They must be registered with the Kenya Veterinary Board and be a member of the Kenya Veterinary Association. The successful candidates will be expected to assist in teaching undergraduate students, conducting practical sessions and carrying out research in their area of specialization. In addition, they will be expected to participate in Departmental, Faculty and College activities.

TUTORIAL FELLOW (PHYSIOLOGY SECTION), DEPARTMENT OF VETERINARY ANATOMY AND PHYSIOLOGY – AC/12/347/19 (2 POSTS) (CAVS)

Applicants must be holders of Bachelor of Veterinary Medicine degree or equivalent from a recognized university. They must have attained a credit in Animal Physiology. They are expected to have registered for a Master of Science degree in a Veterinary Anatomy. They must be registered with the Kenya Veterinary Board and be a member of the Kenya Veterinary Association. The successful candidates will be expected to assist in teaching undergraduate students, conducting practical sessions and carrying out research in their area of specialization. In addition, they will be expected to participate in Departmental, Faculty and College activities.

TUTORIAL FELLOW, DEPARTMENT OF METEOROLOGY – AC/12/348/19 (2 POSTS) (CBPS)

Applicants must be holders of a Masters degree in Meteorology from a recognized university. They are expected to have registered for a PhD degree in a relevant field. The successful candidates will be expected to assist in teaching undergraduate students in the following areas of specialization: Dynamic Meteorology, remote sensing and GIS; Synoptic and Aviation Meteorology; Climatology and Tropical Meteorology; and Environmental and Physical Meteorology. In addition, they will be expected to participate in departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF DIAGNOSTIC IMAGING AND RADIATION MEDICINE – AC/12/349/19 (1 POST) (CHS)

Applicants must possess MBChB degree or equivalent from a recognized university. They are expected to have registered for a Master of Medicine degree in Diagnostic Radiology and be registered or eligible for registration with the Kenya Medical Practitioners and Dentists Board. The successful candidates will be expected to assist in teaching undergraduate students in a relevant area of specialization. In addition, the successful candidates will be expected to participate in departmental, School and College activities.

TUTORIAL FELLOW, DEPARTMENT OF URBAN AND REGIONAL PLANNING – AC/12/350/19 (2 POSTS) (CAE)

Applicants must be holders of a Bachelors degree and Masters degree in Planning, Urban and Regional Planning, Urban Planning or Regional Planning if their first degree is not in planning, from a recognized university. They are expected to have registered for a PhD degree in a relevant field. The successful candidates will be expected to assist in teaching undergraduate students and carry out research in rural planning, urban planning, and/or regional planning in at least one of the following areas of specialization: urban planning and design; infrastructure and facilities planning; transportation planning; and rural planning. In addition, the successful candidates will be expected to participate in departmental, School and College activities.

GRADUATE ASSISTANT, DEPARTMENT OF URBAN AND REGIONAL PLANNING – AC/12/351/19 (1 POST) (CAE)

Applicants must possess a Bachelors degree (1st Class Honors or 2nd Class Honors, Upper Division) in planning, urban and regional planning, urban planning or regional planning discipline from a recognized university. They are expected to have registered for a Masters degree in Planning, Urban and Regional Planning, Urban Planning or Regional Planning. They must demonstrate academic interest in the discipline of planning in all its aspects including scholarship and application. They should be registered or registrable with the Physical Planning Registration Board and be at least student/graduate member in good standing of a recognized planning profession body. The successful candidates will be expected to assist in teaching and research. In addition, the successful candidates will be expected to participate in departmental, School and College activities.

GRADUATE ASSISTANT, DEPARTMENT OF ELECTRICAL AND INFORMATION ENGINEERING – AC/12/352/19 (2 POSTS) (CAE)

Applicants should be holders of a BSc. Degree (1st Class Honors or 2nd Class Honors - Upper Division) in Electrical and Electronic Engineering from the University of Nairobi or any other university recognized by the University of Nairobi Senate. They must be registered or registrable with the Engineers Board of Kenya (EBK). They are expected to have registered for a relevant masters degree.

TRAINEE TECHNOLOGIST GRADE III, DEPARTMENT OF ENVIRONMENTAL AND BIOSYSTEMS ENGINEERING – AD/12/353/19 (2 POSTS) (CAE)

Applicants must have KCSE mean grade C (Plain) with credits in Physics, Chemistry, Mathematics and Biology/Geography. Those with a craft certificate in Agricultural Engineering, Civil

Engineering, Mechanical Engineering or equivalent; and knowledge in IT, computer applications and programming will have added advantage. The successful candidates will be expected to assist in practical sessions for undergraduate and postgraduate classes and maintenance of research equipment.

NOTES

1. Applicants for academic posts (AC) should forward ten (10) copies of their application letters accompanied by similar number of certified copies of certificates and CV giving details of their qualifications, experience, research activities and publications they appear in. *All applicants for teaching positions are required to complete and submit together with their application documents, a hard copy of the CUE interactive application form available in the respective Department/ College Website.*
2. Applicants for non-academic posts (AD) should submit seven (7) of their application letters accompanied by similar number of certified copies of certificates and CV giving details of their qualifications and experience.
3. In both cases, applications and related documents should be forwarded through the applicants' heads of departments. In addition, applicants should state their current designations and salaries and other benefits attached to those designations. They should quote post reference codes as shown for each post in the advertisement.
4. Applications should be addressed as per the codes below:-

R&T	Deputy Registrar, Recruitment & Training, P.O Box 30197-00100 Nairobi
CAE	Principal, College of Architecture & Engineering, Box 30197-00100, Nairobi.
CAVS	Principal, College of Agriculture & Veterinary Sciences, Box 30197-00100, Nairobi.
CBPS	Principal, College of Biological & Physical Sciences, Box 30197-00100, Nairobi.
CHS	Principal, College of Health Sciences, Box 30197-00100, Nairobi.
CHSS	Principal, College of Humanities & Social Sciences, Box 30197-00100, Nairobi.

CLOSING DATE: TUESDAY, DECEMBER 17, 2019

**THE UNIVERSITY OF NAIROBI IS AN EQUAL OPPORTUNITY EMPLOYER.
ONLY SHORTLISTED APPLICANTS WILL BE CONTACTED.**
